

Trinity Aesthetics & Laser
Monthly Membership Contract

Our monthly membership program is designed to help our patients wishing to take their skincare maintenance program to the next level by providing regular monthly treatments at a significant discount. Members are entitled to receive one treatment every month. You may choose from a Facial, a Microdermabrasion, a Dermaplaning, a Hydrafacial (maximum of 3 per 12 month period), or a Chemical Peel (maximum of 3 per 12 month period).

Additional membership benefits include a 10% discount on all products, and a 20% discount off the regular menu price for any other treatment that we offer (excluding injectables).

The Initial Membership period shall be for a period of 12 months (The Initial Period). A member shall not be entitled to cancel his/her membership during the Initial Period. After the Initial Period, the membership shall continue month to month. After the Initial Period, the member may cancel the membership at any time by giving a 30-day written notice. Any unused services will expire should you elect to cancel your membership.

Unused services can be carried over to the next month. A maximum of 3 services can be accumulated in this manner. Additional unused services will be forfeited.

There may be times when extenuating circumstances (such as extended illness, military service, or temporary relocation) cause a member to need to suspend their membership. A member may suspend their membership for up to a total of 3 months during the contract period by providing written notice 30 days prior to the beginning of the date the suspension is to begin. This will extend the contract period by the number of months the membership is suspended. (i.e. from 12 months to a maximum of 15 months if suspended for 3 months). During a period of membership suspension, your account will not be charged the monthly dues and you may not receive any accumulated services.

Your membership services are not transferrable. They must be used by the member enrolled in the program.

Appointments are made on a first-come, first-served basis. You are responsible for scheduling your monthly services in advance to ensure you receive your preferred date, time, and aesthetician. If you are unable to keep a scheduled appointment, you must cancel at least 24 hours prior to your appointment or that service will be forfeited.

Monthly Membership dues do not include gratuities. Membership services may not be combined with any other promotional offer.

Trinity Aesthetics & Laser reserves the right to cancel any membership at any time.

A valid ID and credit card are required to enroll in the Trinity Aesthetics Monthly Membership program. You agree to provide us with updated information if your address or payment information should change. If we are unable to process the automatic monthly membership dues, the membership will be suspended pending payment in full. Any accumulated services will be forfeited if the membership is suspended due to nonpayment.

I hereby agree to the Membership Contract as stated above. Membership fees will be charged to the designated credit card on the 1st day of each month.
